Gymnastics 4 U is a safe environment for your child to participate in gymnastics, dance, cheerleading and to play in our inflatable play structures. We will instruct your child in safety and proper technique to perform skills in their individual level and competency. It is expected of your child to listen attentively and show respect to their instructors. If a child is disruptive they will be requested to take a time out but if the behavior persists we must request the child to leave our facility and wait until they have reached a level of maturity appropriate to the discipline of sports activities. It is the parent's responsibility to bring their child to the waves center in appropriate attire, leotards or biketards, their hair tied up, and boys must be in shorts without buttons, zippers or snaps and t-shirts which are long enough to stay tucked in or light enough to not show their tummies. You have chosen the class time which best fits your needs, therefore make up classes are only available during Open Gym time and only for illness. You must call or e-mail the gym to inform them of your child's illness prior to class. Class fees are due on the first class of each month. If payment is not made by the 10th of each month there is a \$15.00 late fee. Statements are not printed to remind you of payments due, but only for those who are late and have not made their payments on time. Lack of payment can lead to your child not be allowing to participate in class and ultimately may lead to your child's place in our program being given to someone else. Please speak with Pamela if you are choosing to discontinue participation in our program. If your child participates in a single class during a month you are required to make payment for the entire month, therefore please be conscientious and courteous to those on our waiting list by communicating with Pamela. Sports activities do have the possibility for injury, death and dismemberment. The Gymnastics 4 U staff is here to keep your child as safe as possible but accidents may occur. Signature of this waiver authorizes your child to participate in our Center's Activities with acceptance of liability being with the parent.
